

Jock Dalby | Web Developer

T: 021 224 3735 E: jockdalby86@gmail.com

[LinkedIn](#): Jonathan 'Jock' Dalby

A passionate Web Developer excited to work in Wellington's thriving tech scene, with the vision to further develop my technical knowledge and abilities, whilst utilising my advanced organisational, interpersonal and problem-solving skill sets to become both a valuable member of my team and an asset to the company for which I work.

Technical Skills

Front-End: HTML5, CSS3, JavaScript (ES6, React, AngularJS, VueJS, Webpack).

Back-end: NodeJS (express, babel, knex), PHP/SQL.

Testing: Chimp, Cucumber, Gherkin, Tape, Ava.

Software & Tools: Atom, Webstorm, npm, git

Personal Attributes

- Solution orientated, innovative, logical thinker with a keen eye for detail.
- Methodical, structured and organised approach to learning and assignments.
- Excellent time management, organisational & communication skills.
- Highly motivated and committed individual, driven by my own desire to succeed.

Work / Education History

Hospo360.com, Wellington - Web Developer

Oct '16 - current

Hospo360 is a comprehensive hospitality business management tool that provides a day by day financial & operational dashboard and escalation alert process for individual and multi-site operators.

Responsibilities:

- Move existing AngularJS/Gulp landing page to VueJS using Auth0 and Webpack.
 - Develop a good understanding of both AngularJS and VueJS frameworks.
 - Incorporate Auth0 functionality and adjust CSS to form an inline modal.
 - Use jQuery, bootstrap and media queries to include responsive tooltips.
- Re-structure weekly bar report:
 - Adjust, add and delete sections of reporting fields and reproduce in corresponding pdf report.
 - Create new graphs to display financial and operational KPIs to managers and directors.
 - AngularJS front-end, PHP back-end.
- Build feature to highlight, manage and control statutory holiday pay:
 - Identify and highlight all public holidays and observed-on days.
 - Establish if an employee is entitled to statutory pay based on length of employment/ frequency of working given day.
 - Display relevant daily pay for all casual and salaried employees.
 - Angular, javascript and SQL stack.

Reason for leaving:

I am employed at Hospo360 on a fixed-term contract which is due to expire on February 10th 2017.

Enspiral Dev Academy, Wellington - Graduate Web Developer**Jun '16 - Oct '16**

A full-immersion web development program providing students with the necessary skills to find work as an entry-level web developer.

EDA introduced me to a wide range of web dev fundamentals including HTML, CSS & JS, git, devtools, JS frameworks (Feathers JS, React), databases, node, testing, functional programming, AJAX and async operations. During the course, I completed a number of personal projects and played a key role in several small-group / full-cohort projects.

MightyGem.com, Wellington - Co-founder / CEO**Mar '15 - Mar '16**

A startup providing Guest Experience Management solutions to hospitality businesses and one of the ten teams at Lightning Lab, Christchurch 2015.

Responsibilities:

- Product vision & business strategy.
- Sales & customer relations.
- Maintaining company accounts and creating budgets.
- Investor & mentor management.

Wellington Hospitality Group, Wellington - General Manager**Aug '14 - Mar '15**

General Manager for two new business ventures for WHG, launching Bethel Woods on The Terrace and Coene's Provisions at Royal Port Nicholson Yacht Club.

Responsibilities:

- Managing budgets, wage percentages and cost of goods.
- Recruitment & training of all duty managers and front of house staff.
- Ensuring a consistently high level of customer satisfaction.
- Conducting weekly strategy meetings with the management team.

Brew | Craft Beer Pub, Rotorua & Tauranga - Co-Owner / GM**May '12 – May '14**

At Brew, Rotorua I initiated systems and created structure in a business which previously had neither. Under my direction the business experienced weekly revenue growth of over 200%, climbed from #30 to #5 on TripAdvisor and took out the 'Outstanding Bar' award at the Rotorua Hospitality Awards, 2013.

Prior to May 2012 I worked in various management positions in the hospitality industry in Brisbane, on the Gold Coast and in London.

Other Qualifications

Advanced Certificate in Wine & Spirits (WSET)

2011 - 2012

Intermediate & Advanced Apprenticeship in Accounting (AAT)

2005 – 2006**References**

"Jonathan, 'Jock' is a highly engaging, energetic and passionate hospitality professional. He has a keen eye for detail, never rests until he has achieved his goals and is ultimately driven to deliver great customer experiences."

James Coldrey-Mobbs, Commercial Manager for Wellington Hospitality Group
